The State will not negotiate with any other organization in connection with terms and conditions of employment for the Managers in the unit covered by this Agreement.

C. When the State re-assigns duties or transfers a Manager to a section or position that causes him or her to be excluded from the Union, the State will advise the Union of the reassignment or transfer and provide the Union with the basis upon which it maintains that the Manager should be excluded. If the Union objects to the Manager's exclusion from the Union, OER and the Union will meet to review the basis for the exclusion. If after such review the Union continues to object, the Union may pursue its objection in an appropriate forum.

D. The State shall not discriminate against, coerce or penalize any Manager because such Manager exercises any right, benefit or privilege provided in this Agreement.

2. Management Rights

A. The State, its several Departments and subordinate functions retain and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and of the United States of America.

B. Except as specifically abridged, limited or modified by the terms of this Agreement between the State and the Union, all such rights, power, authority, prerogatives of management and responsibility to promulgate and enforce reasonable rules and regulations governing the conduct and the activities of Managers are retained by the State.

ARTICLE II

1. Appointment and Authority of Stewards

The Union shall be allowed to appoint a reasonable number of stewards. These individuals shall attempt to adjust disputes or differences referred to them by any of the Employees they have been designated to represent and to participate in the processing of grievances as provided in this Agreement. The Union shall provide the names of such individuals, in writing, to the Governor's Office of Employee Relations. Thereafter, the State shall be within its right to rely on the voluntary actions and commitments of such individuals as agents of the Union.

2. Administration of Agreement

A. A committee consisting of State and Union representatives may meet for the purpose of reviewing the administration of the Agreement and to discuss problems, which may arise there from.

B. If a meeting is requested, in writing, said committee meetings shall be scheduled at a time mutually agreeable to the parties. For the purpose of this Agreement, these meetings are not intended to bypass the grievance procedure nor to be considered collective negotiation meetings but rather are intended as a means of fostering good and sound employment relations through communications between the parties.

C. Either party may request a meeting and shall submit a written agenda of topics to be discussed seven (7) days prior to such meeting.

D. A maximum of five (5) employee representatives of the Union may attend such meetings, which shall not exceed six (6) per calendar year and shall be held during regular work hours. Union representatives shall be granted time to attend without loss of pay.

ARTICLE III

CIVIL SERVICE COMMISSION RULES

The administrative and procedural provisions and controls of Civil Service Laws, as well as the Rules and Regulations promulgated thereunder, are to be observed in the administration of this Agreement, except to the extent that this Agreement pertains to subjects not therein contained or where this Agreement is contrary to, or in conflict with such provisions and controls and deviation from such rule or control is statutorily permitted. Nothing herein shall be construed to deny any individual Manager his or her rights under the Civil Service Laws or Regulations.

ARTICLE IV

ORGANIZATIONAL STAFFING AND PERFORMANCE ASSESSMENT REVIEW

The following provision(s) are set forth for the purpose of augmenting organizational structures and to insure all supervisory and management duties are assigned under the principles of equity. The enumeration of these rights is being made here in order to achieve the goals of work units and organizations throughout state government.

1. Supervisory Vacancies

For the purposes of this article, Supervisory Positions are defined as those positions promulgated by the Civil Service Commission (CSC) or Appointing Authority as necessary for the effective and efficient running of any and all work units as they exist throughout any Department in State Service.

2. Classification Review

In accordance with N.J.A.C. 4A:3-3.5(b) of the New Jersey Civil Service Regulations, Managers in this negotiation unit may initiate requests for position classification/reclassification in accordance with N.J.A.C. 4A:3-3.9(b) of the New Jersey Civil Service Regulations, as may be amended from time to time.

3. Performance Assessment Review

All managers covered by this Contract shall be evaluated pursuant to the Performance Assessment Review (PAR) procedures set forth in the Rules and Regulations of the Civil Service Commission, as may be amended from time to time.

A. General Provisions

1. The PAR program shall use standardized forms and rating scales to be designated by the Civil Service Commission.

2. Each Appointing Authority shall establish standardized rating cycles with a duration of one year. Within a particular standardized rating cycle, Managers shall be rated at the same time, twice a year, with the interim and final ratings being six months apart.

3. Each Appointing Authority shall maintain a Manager's PAR evaluations in his or her personnel records.

B. PAR Performance Plans

1. A Manager and his or her supervisor shall discuss a job performance plan consisting of work assignments together with measurable performance standards and the job performance plan shall be provided to the Manager within a reasonable period of time following the PAR meeting. If a Manager disagrees with the established performance plan, he or she may note such disagreement.

2. A performance plan for each rating period shall be established within a reasonable time after completion of the previous rating period. New Managers shall receive a performance plan within a reasonable time after appointment, which shall include the job assignment, the essential criteria for successful job performance, and emphasize training and development.

C. Evaluation Procedure

1. At the end of six months and at the end of one year, the Manager and his or her supervisor shall review the Manager's performance. The supervisor shall designate an interim performance rating at the end of six months and a final rating at the end of one year.

2. Where the performance of a Manager is unsatisfactory, the designated supervisor will confer with such employee at least once every three (3) months and shall set forth the deficiencies and improvement goals required to achieve a satisfactory level of performance.

3. A record of conferences, referred to in paragraph C. 2, shall be made and a copy given to the Manager within two (2) weeks of the conference.

4. When there is a change in the job title, major job assignment, or supervisor during the evaluation period, the old performance plan shall be closed out. The Manager's performance

during the portion of the rating period under the old performance plan shall be rated and a new performance plan shall be prepared. The final rating shall be a proration of all ratings received during the review period.

5. When appropriate, performance improvement plans shall be set at each review and the form will be placed in the Manager's personnel file.

6. The Manager shall be entitled to a copy of the rating and the form will be placed in the Manager's personnel file.

D. Unsatisfactory Ratings

1. A Manager receiving an unsatisfactory rating on his or her annual PAR shall be denied an anniversary date increment.

2. An Appointing Authority may request an anniversary date increment, for a Manager who was denied an increment because of receiving an unsatisfactory rating, but whose performance has significantly improved, as determined by the Appointing Authority. If approved by the Civil Service Commission, such increment shall not be effective until a pay period beginning at least 90 days after the Manager's anniversary date.

E. Appeals of Performance Standards and Ratings

Appeals of Unsatisfactory PAR ratings shall be in accordance with N.J.A.C. 4A:6-5.3(c), as may be amended from time to time.

F. Use of PAR Ratings

1. A rating of Unsatisfactory shall constitute evidence of incompetency, inefficiency or failure to perform duties. In a disciplinary action, a Manager may challenge the basis of the rating that is at issue in the proceeding.

2. Performance ratings may be used as a factor in promotion (See N.J.A.C. 4A:4-2.15) and layoff (N.J.A.C. 4A:8-2.2(c)(4)).

ARTICLE V

GRIEVANCE PROCEDURE

A. Purpose

The purpose of this procedure is to resolve grievances and to assure prompt and equitable solutions of problems arising from the administration of the Agreement, or other conditions of employment by providing the exclusive vehicle set forth in this article for the settlement of grievances. A Manager is entitled to use this grievance procedure and to be represented by the Union upon his or her request in accordance with the provisions of this article. A Manager shall not be coerced, intimidated or suffer any reprisal as a direct or indirect result of such use. All grievances must be submitted on the attached grievance form (Attachment A). The form must be completely filled out by the grievant and/or Union. In the event that a grievance form is unavailable the grievance will be in writing and set forth the following information: (a) the names, titles and department of affected Managers; (b) the date of occurrence; (c) a brief description of what gave rise to the grievance; (d) designation of the grievance as contractual

or non-contractual and if contractual the Article and paragraph (section) of the Agreement which the grievant claims has been violated; and (e) the remedy sought. Grievance forms will be made available at all work sites covered by this Agreement.

B. Definitions

1. A “Grievance” means:

a. A claimed breach, misinterpretation or improper application of the terms of this Agreement (contractual); or

b. A claimed violation, misinterpretation or misapplication of rules or regulations, existing policies, orders, letters of memoranda or agreement, administrative decisions, or laws, applicable to the state agency or department regarding the terms and conditions of employment which are not included in (a) above (non-contractual).

2. Union Stewards and Representatives:

a. A “steward” is a Manager of the State serving as the designated representative of the local Union pursuant to Article II.

b. A “representative” is an officer in the active employ of the Union or designee of the Union serving as a duly authorized representative of the local Union who is an employee of the State.

3. Resource Person:

A resource person is an individual, employed by the State, who is not a witness and who has particular expertise as to the subject matter of the grievance and shall be treated in accordance with the time off procedure below.

C. Grievance Steps and Time Frames

1. General

a. A grievance must be filed on the official grievance form initially within thirty (30) days from any date on which the act which is the subject of the grievance occurred or thirty (30) days from the date on which the grievant should reasonably have known of its occurrence. All references to days in this article are calendar days.

b. Time limits under this article may be modified by mutual agreement in writing between the applicable State agencies or department and the Union and consent to extend time limits will not be unreasonably withheld.

c. Any Manager may orally present and discuss a complaint with his or her immediate supervisor or other appropriate supervisor on an informal basis prior to filing a grievance.

d. Contractual grievances shall only be processed through representatives designated by the Union.

e. During the Step One and Step Two process the grievant may be represented by a steward or other representative designated by the Union. One person shall act

as a spokesperson for the grievant and one person shall act as the spokesperson for management.

f. Should the grievant elect to process a non-contractual grievance without Union representation, he or she shall so indicate on the grievance form. The Union shall be sent a copy of the non-contractual grievance upon receipt of the grievance by the personnel/labor relations office of the applicable Appointing Authority agency or department. A steward or other duly authorized representative designated by the Union will be notified of all non-contractual grievance meetings or hearings.

g. The Union shall be given a copy of the final disposition of all grievances. A copy of the decision of the State at each step shall be provided to the grievant and the Union representative involved within ten (10) days of the decision.

2. Step One

a. In the event the matter is not resolved informally, the Union may submit the grievance in writing to the office or individual designated by the Department or agency of the Manager.

b. A grievance meeting shall be scheduled within ten (10) days of the filing of the grievance unless the parties mutually agree otherwise.

c. A written decision will be provided to the Union by management within ten (10) days of the grievance meeting.

3. Step Two

a. If the grievant or the Union is not satisfied with the Step One disposition, the grievance may be appealed to the Department's designee. The appeal shall be accompanied by the decision at the preceding levels and any written record from the earlier proceeding. The appeal must be filed within ten (10) days from receipt of the step one decision or sixty (60) days after the step one decision was due.

b. The Union will specify whether the step two proceeding will be a meeting or a hearing. If the Union requests a hearing, a hearing officer appointed by management will preside. Both parties will be permitted to introduce testimony and exhibits. Either party may make a verbatim record of the hearing. The party making the record will bear the expense. However, if both parties want a copy of the transcript, the cost of the transcript and the reporter shall be shared equally between the parties.

c. The Step Two meeting or hearing will be scheduled within ten (10) days of the receipt of the appeal of the Step One decision. A written decision will be rendered by management within twenty (20) days of the grievance meeting or hearing.

4. Step Three –Arbitration

a. In the event that the grievance has not been satisfactorily resolved at Step Two, and the grievance involves an alleged violation of the Agreement as described in the definition of a grievance in B.1.a above, then arbitration may be brought only by the Union, through its designee within thirty (30) calendar days from the day the Union received the Step Two decision or from the date on which the Step Two decision was due, by mailing a written request for arbitration to the Public Employment Relations Commission and sending a copy to the Office of Employee Relations. In the event the Union deems it necessary to use an additional

period beyond the thirty (30) days provided herein the time to appeal may be extended by the Union to not more than twenty (20) additional calendar days. Should the Union use any of these additional days, it is understood that the time used in computing the extent of the State's liability shall not exceed twenty (20) days from the day the Union received the Step Two decision or from the date on which the Step Two decision was due. If mutually agreed, a pre-arbitration conference may be scheduled to frame the issue or issues. All communications concerning appeals and decisions at this Step shall be made in writing. The request for arbitration shall contain the names of the department or agency and Manager involved, a copy of the grievance form and the Step Two decision, if available.

b. Within thirty (30) days of the execution of this Agreement, the parties shall mutually agree upon a panel of not less than five (5) arbitrators. Each member of the panel shall serve in turn as the sole arbitrator for a given case. Where a member of the panel is unable to serve, the next member in sequence shall then serve. In the event the parties are unable to agree upon a panel of arbitrators within thirty (30) days, arbitrators shall be selected on a case-by-case basis under the selection procedure of the Public Employment Relations Commission until such time as the parties agree upon a panel. All panel arbiters must agree, in advance, as a condition for being placed on the panel, to accept a fee of no more than \$1000 per day, and to impose a fee of no more than \$500 for a cancellation by either party without good cause.

c. The arbitrator shall conduct a hearing to determine the facts and render a decision in writing to the parties. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement or laws of the State, or any written policy of the State or subdivision thereof not inconsistent with this Agreement, or to determine any dispute involving the exercise of a management function which is within the authority of the State as set forth in Article 1.C., Management Rights, and shall confine his or her decision solely to the interpretation and application of this Agreement. He or she shall confine themselves to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him or her, nor shall he or she submit observations or declaration of opinions which are not essential in reaching the determination. The decision or award of the arbitrator shall be final and binding consistent with applicable law and this Agreement. In no event shall the same question or issue be the subject of arbitration more than once. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement. Any remedy ordered by an arbitrator will not have retroactive affect beyond thirty (30) days from the date the grievance was filed, except that payroll errors and related matters shall be corrected to the date of error. The fees and expenses of the arbitrator shall be divided equally between the parties. Either party may make a verbatim record through a certified transcriber. Such a record is to be made at the requesting parties' expense. However, if both parties want a copy of the transcript, the cost of the transcript and the reporter shall be shared equally between the parties. The cost of any transcript (or copy thereof) requested by the Arbitrator shall be shared equally between the parties. Any other cost of this proceeding including the cost of recording shall be borne by the party incurring the cost.

d. The arbitrator shall hold the hearing at a time and place convenient to the parties within thirty (30) calendar days of his acceptance to act as arbitrator and shall issue his or her decision within thirty (30) days after the close of the hearing.

e. Whenever a grievance which is to be resolved at Step Three, Arbitration, is based on a provision of this Agreement in which the power or authority of the arbitrator is specifically limited to an advisory award, that limit shall be observed and all the provisions of paragraphs b, c and d above shall be operable except that the award and opinion shall be advisory and not binding on the parties. However, absent a particular exception the provisions of the grievance procedure above shall be operable.

f. Representatives of the Governor's Office of Employee Relations, the applicable state department or agency and the Union may meet to resolve grievances that are appealed to arbitration. Local Union representatives and department representatives may participate in the meetings.

D. Union Rights

1. Time Off

This section does not apply to matters subject to Article VI, Disciplinary Actions.

a. When a grievance has been formally submitted in writing and the Union represents the grievant, and where the Union Steward requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the Steward will be granted permission and reasonable time, to a limit of two (2) hours, to investigate without loss of pay. It is understood that the supervisor shall schedule such time release, providing the work responsibilities of the Steward and of any involved Manager are adequately covered, and providing further there is no disruption of work. Such time release shall not be unreasonably withheld. Where a Union Steward serves two (2) or more geographically separate work locations, and where the circumstances require it, a supervisor may authorize a maximum of four (4) hours for any appropriate investigation of grievances. Such time release shall not be unreasonably withheld and shall not be construed to include preparation of paperwork, record keeping, conferences among Union Officials nor preparation for presentation at a grievance hearing or meeting.

b. A Grievant Manager and his or her designated representative will be granted time off without loss of pay to attend Step One meetings, Step Two meetings or hearings and arbitration hearings and to travel to and from such meetings and hearings.

c. A reasonable number of witnesses and resource persons employed by the State upon three (3) working days written notice, will be granted time off without loss of pay to attend Step One meetings, Step Two meetings or hearings and arbitration hearings and travel to and from such meetings and hearings.

2. Information

a. The State will upon request, make available to the Union information in its possession to which the Union is entitled, to properly represent the grievant. Management shall provide the requested information within seven (7) days from receipt of the request.

b. The Union, upon request, will make available to the State requested information and documents in its possession necessary for management to respond to the grievance. The Union shall provide the requested information within seven (7) days from receipt of the request.

c. Nothing herein shall be construed to permit either party to serve interrogatories.

d. In the event information and/or documents responsive to a party's request are discovered after the expiration of the seven day response period set forth in paragraph a. above, such information shall not be excluded from use in arbitration so long as such information or documents are provided to the requesting parties at least three (3) days prior to the opening of the arbitrations hearing.

e. Each party has a continuing obligation to provide information responsive to the other party's request.

f. The parties shall make a good faith effort to informally resolve disputes, which arise as to information requests. However, if the parties are unable to agree upon the nature of the information to be provided by the applicable state department or agency, a dispute may be submitted to the GOER for resolution. If after submission to GOER the dispute is not resolved, the parties may seek resolution of the dispute in an administrative or judicial forum or through arbitration.

3. Group Grievances

a. Where a grievance affects more than one Manager, the Union may file a group grievance at the first level of supervision common to the affected Managers.

b. Where a group grievance affects Managers in two or more departments, the Union may submit the grievance directly to the Governor's Office of Employee Relations. The grievance will be processed as a Step Two grievance.

c. Where individual grievances concerning the same matter are filed by several grievants, it shall be the option of the State to consolidate such grievances for hearing as a group grievance provided the time limitations expressed elsewhere herein are understood to remain unaffected and the union shall be notified of this action.

4. Bypassing Steps

A grievance may be initiated at or moved to any step of the procedure without a hearing at a lower step by mutual agreement of the parties. Consent to skip steps of the grievance procedure will not be withheld unreasonably.

5. The Right to Amend

The Union may undertake to amend the grievance during the initial step at which such grievance is filed. By mutual agreement the Union may amend the grievance up to Step Two. It is understood that such amendment is only for the purpose of clarification and shall not be utilized to change the nature of the grievance or to include additional issues.

E. General Procedures

1. The lack of response by management within the prescribed time periods, unless time limits have been extended by mutual agreement, should be construed as a negative response.

2. If, at any step in the grievance procedure, the State's decision is not appealed within the appropriate prescribed time, such grievance will be considered closed and there shall be no further appeal or review.

3. A reasonable number of resource people shall be allowed to attend a grievance meeting or hearing. The parties will schedule resource people to minimize the impact on operations. At the meeting or hearing the Union will present its side of the grievance through the grievant, witnesses and resource people. Management will then proceed to present its responses to the Union's presentation.

4. The Union shall be given a copy of the final disposition of all grievances. A copy of the decision of the State at each step shall be provided to the grievant and to the Union representative involved.

5. Grievance resolutions or decisions at Steps One and Two shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made in writing by the Governor's Office of Employee Relations and the authorized representative of the Union.

6. Unless specifically provided for elsewhere in this Agreement, where the grievance involves an alleged violation of individual rights specified in the Civil Service Regulations promulgated thereunder for which a specific appeal to the Civil Service Commission is available, the individual must present his complaint to the Civil Service Commission directly, provided however, where allegations of violations of other Manager rights which derive from this Agreement occur, it is intended that the provisions of this grievance procedure are to be utilized.

7. A claim of improper and unjust discipline against a Manager shall be processed in accordance with Article VI of this Agreement.

8. The inclusion of or reference by name or title or otherwise in this Agreement to laws, rules, regulations, formal policies or orders of the State, shall not be construed as bringing any allegation concerning the interpretation or application of such matters within the scope of arbitrability as set forth in this Agreement.

9. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration or to represent an Manager before the Civil Service Commission. The Union's decision to request the movement of any contractual grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Union.

10. A "B.1.b." grievance may be processed through Step Two of the grievance procedure, but may not be submitted to arbitration.

11. When a Manager formally elects to undertake the resolution of a contractual grievance through any available procedure established by an agency of proper authority outside of those provided herein, such election shall constitute an absolute waiver of the option to appeal the grievance to arbitration unless the parties mutually agree otherwise.

12. If a grievance is appealed to the second step and the Department Head or designee determines that a resolution of the grievance is not within the authority of the department, the grievance will be forwarded to the Governor's Office of Employee Relations for disposition in

accordance with Step Two of this procedure. If the grievance involved a non-contractual matter as defined in B. 1 .b. the decision of OER shall be final.

13. The State and the Union agree that appeals to arbitration that are not scheduled for a hearing within eighteen (18) months after a Step Two decision is rendered will be considered withdrawn unless the parties mutually agree to extend the matter.

ARTICLE VI

DISCIPLINARY ACTIONS

A. The terms of this Article apply to permanent career service Managers. Other Managers shall be covered only as specifically provided.

B. Discipline of a Manager shall be imposed only for just cause. Discipline under this Article means official written reprimand, fine, suspension without pay, record suspension, disciplinary demotion or dismissal from service. Dismissal from service or demotion based upon a layoff or other operational judgment of the State shall not be construed to be discipline.

C. Disciplinary action may be initiated for any of the reasons specified in the Civil Service Commission Rules or for any circumstance amounting to sufficient cause.

D. The burden of proof in disciplinary procedures shall be upon the State, except as otherwise provided in I.2.

E. Time Limitations

1. All references to “days” in this Article are to calendar days, unless otherwise specified.

2. A Manager shall not be served with a disciplinary notice more than one (1) year after the date on which the Appointing Authority obtained sufficient information to file the matter upon which the notice is based, except for acts that constitute a crime or where otherwise required by law. The Appointing Authority may commence disciplinary action at any time during the pendency of a criminal proceeding.

F. General Procedures

1. Where an Appointing Authority or his designee imposes or intends to impose discipline, a Manager must be served with a Preliminary Notice of Disciplinary Action. Such notice shall contain (a) charges; (b) the general conduct of the Manager upon which the disciplinary action is based and (c) the disciplinary penalty, which the Appointing Authority seeks to impose.

2. A copy of said Notice shall be transmitted to the Union representative as soon as is feasible but not to exceed three (3) business days after such Notice.

3. Any appeal relating to the involved disciplinary matter must be filed by the Manager within fourteen (14) calendar days of delivery of Preliminary Notice of Disciplinary Action. If no appeal is filed within this time, the departmental hearing may be considered to have been waived and the Appointing Authority may issue a Final Notice of Disciplinary Action. In the event an appeal is timely filed the employer representative will contact the Union within

seven (7) business days of the request for departmental hearing to mutually schedule a date and time for the review to be conducted within twenty (20) calendar days after the request for hearing. If the parties are unable to agree upon a mutually convenient date within the twenty (20) day period, the Department shall schedule the hearing, unless the parties mutually agree to extend the twenty (20) day period. The Department shall issue a Final Notice of Disciplinary Action within twenty (20) calendar days after the completion of the hearing. The Manager may be represented at the hearing by a steward or an authorized union representative. Only one (1) person shall serve as the spokesperson for the Manager and one (1) person shall serve as spokesperson for the State. The parties shall have the opportunity to present evidence and examine witnesses. Outside attorneys shall not be permitted to be present at departmental hearings, except where criminal charges are pending, the right of a Manager to representation by an attorney shall not be denied. If either the Union or the Manager appear for the hearing, the hearing shall proceed. If neither the Union nor Manager appear for the hearing, the right to such hearing shall be deemed waived, and the Department shall issue the Final Notice.

G. Disciplinary Penalties

A. Major disciplinary penalties are:

- i. Suspension or fine, of more than five (5) days at one time;
- ii. Disciplinary demotion;
- iii. Removal.

B. Minor disciplinary penalties are:

- i. Suspension of one (1) through five (5) days;

- iii. Official Written Reprimands.

H. Procedures for Disciplinary Appeals

Permanent career service Managers (including provisional or probationary Managers with permanent status), may appeal major and minor disciplinary penalties only to the Civil Service Commission, except official written reprimands shall not be appealable beyond the departmental hearing. Such appeals must be received by the Civil Service Commission within twenty (20) days after the date the Manager receives the Final Notice of Disciplinary Action referred to in paragraph F.3.

I. Unclassified and Provisional Discipline Procedures

1. The following shall constitute the disciplinary appeal procedure rights for unclassified and provisional Managers who have been employed in such capacity for a minimum of six (6) months. Upon request of the Manager, the Manager may be represented by a steward, or an authorized representative of the Union. Outside attorneys shall not be permitted to be present at departmental hearings, except where criminal charges are pending, the right of a Manager to representation by an attorney shall not be denied. In all disciplinary matters, except dismissal from service, such Managers shall be entitled to utilize the provisions of this Article through the departmental hearing level.

2. In the event an unclassified or provisional Manager is dismissed from State employment without receiving specific written reasons, the State shall provide the Manager with at least ten (10) calendar days notice in advance of the dismissal. Unless there are exceptional circumstances, when such Managers are dismissed from State employment due to misconduct, the Department shall serve the Manager with the specific written reasons relating to the misconduct. The manager may request and shall be granted a hearing by the department or agency head or his designee, whose decision shall be final. Time limits in F.3 shall apply. The burden of proof shall be on the Manager.

3. It is understood that nothing herein shall be construed as limiting the State from exercising its inherent discretion to terminate unclassified Managers who serve at the pleasure of the department or agency head, without stating the reasons therefore. Grievances concerning the interpretation of this article shall be processed in accordance with Article V as a non-contractual (B.1.b.) grievance.

4. In no event shall the provisions of this Article apply where the Manager is being removed as a result of the certification of a Civil Service Commission eligible list.

J. General Provisions

1. Where a Manager is interviewed during the course of a formal investigation and where there is a reasonable likelihood that the individual being questioned may have formal charges preferred against her/him, the Manager, if she/he requests, shall be entitled to a representative of the Union. The Manager's Union representative has the right to provide advice and counsel to the Manager provided such participation does not interfere with the investigation or unreasonably delay the process.

2. A permanent career service Manager must be served with a Preliminary Notice of Disciplinary Action setting forth the charges and afforded the opportunity for a hearing prior to imposition of major discipline, except:

a. A Manager may be suspended immediately and prior to a hearing where it is determined that the Manager is unfit for duty or is a hazard to any person if permitted to remain on the job, or that an immediate suspension is necessary to maintain the health, safety, order or effective direction of public service.

b. A Manager may be suspended immediately when the Manager is formally charged with a crime of the first, second or third degree or a crime of the fourth degree on the job or directly related to the job.

c. Where a suspension is immediate under (a) or (b) above, and is without pay, the Manager must first be apprised either orally or in writing, of why an immediate suspension is sought, the charges and general evidence in support of the charges and afforded an opportunity to respond to the charges before a representative of the Appointing Authority. The Manager may be represented by a steward or an authorized Union representative.

d. A Manager may be suspended immediately and prior to a hearing where it is determined the Manager is in violation of the State residency requirements.

3. Discovery

a. The Department will, upon request, provide to the Union information in its possession to which the Union is entitled to properly represent the Manager. The Department

shall provide discovery to the Union, as soon as practicable, but in no case less than seven (7) calendar days prior to a departmental hearing, unless the request precludes timely disclosure. Late requests shall not be cause for delay or adjournment. Discovery shall include, names of the witnesses for the Department, the purpose of their testimony, a copy of every document to be introduced at the hearing, and other information, upon which the Department will rely to prove the charges and the reasonableness of the penalty it seeks to impose. The Union representative, upon request, shall provide discovery to the Department representative as soon as may be reasonably practicable, but in no case less than seven (7) calendar days prior to a departmental hearing unless the request precludes timely disclosure. Late requests shall not be cause for delay or adjournment. Documents, information and witnesses that have been requested but not provided may not be used during the departmental hearing, unless it was discovered after other discovery was provided, in which case it shall be provided as soon as possible. If the Manager does not have Union representation, these discovery obligations shall continue to apply to the parties.

b. The parties shall make a good faith effort to informally resolve disputes that arise as to discovery requests. If the parties are unable to agree upon the information to be provided, a dispute may be submitted to GOER for resolution.

4. **Time Off**

a. The State shall grant the Manager and his or her Union representative time off without loss of pay or benefits to attend an investigatory interview, a departmental hearing and to travel to and from such hearings, so long as the individual is scheduled to work during such times.

b. Each party shall be entitled to present a reasonable number of witnesses employed by the Department. The Union shall provide the Department three (3) business days written notice of Department witnesses it wishes released. The witnesses shall be granted time off without loss of pay, during the witnesses regularly scheduled work hours, to attend departmental hearings and to travel to and from such hearings.

5. At Departmental hearings either party may make a verbatim record only through a certified reporter. Such record is to be made at the expense of the party who requests the reporter. However, if both parties want a copy of the transcript, the costs of the transcript and the reporter shall be shared equally.

6. Nothing in this Article or Agreement shall be construed to limit the right of the State to implement any disciplinary action notwithstanding the pendency of any grievance proceeding.

K. Limitations on Suspensions and Fines

1. No suspension or fine shall exceed six months except for suspensions pending criminal complaint or indictment.

2. An Appointing Authority may only impose a fine as follows:

a. As a form of restitution.

b. In lieu of a suspension, when the Appointing Authority establishes that a suspension of the Manager would be detrimental to the public health, safety or welfare.

c. Where a Manager has agreed to a fine as a disciplinary option.

3. A Manager may pay a fine of more than five days salary in a lump sum or through installments. Unless otherwise agreed to by the Manager, an installment may not be more than five percent of the gross salary per pay for a fine under \$500.00; 10 percent of gross salary per pay period for a fine between \$500.00 and \$1,000; or 15 percent of gross salary per pay period for a fine over \$1,000.

4. An Appointing Authority may impose a suspension on the record when the Appointing Authority and the Manager agree in writing that, for purposes of progressive discipline, the Manager will receive a suspension on the record and that it will have the same force and effect for purposes of future disciplinary actions as a suspension actually served by the Manager.

ARTICLE VII

WAGES and COMPENSATION

It is agreed that during the term of this Contract, the following salary improvements shall be provided to eligible Managers in the unit within the applicable policies and practices of the State and in keeping with the conditions set forth herein. Subject to the State Legislature enacting appropriation of funds for these specific purposes, the State agrees to provide the following increases effective at the time stated herein or, if later, within a reasonable time after enactment of the appropriation.

1. The parties agree that M Salary Ranges 35 and below shall include a 10th step in accordance with applicable Civil Service Commission requirements and that the increment between Step 9 and Step 10 on those respective Salary Ranges shall be the increment amount set by the Civil Service Commission in the Salary Compensation Compendium prior to applying any further adjustments as set forth herein.

2. Effective upon ratification, or soon thereafter as such change can properly be implemented, the anniversary date of each Manager employed in the unit on or before January 1, 2014, shall be changed to January 1. This change is for salary purposes only and will not affect pension credit calculations. Anniversary dates shall be unchanged for those Managers in the unit hired after January 1, 2014.

3. Effective January 1, 2014 or soon as practicable, each Manager in the unit who is in between a Step on the applicable Salary Range shall be placed on the next closest step, but not downward. This section shall also apply to any Manager in the unit hired after January 1, 2014 who is in between a Step on the applicable Salary Range.

4. For those Managers with an anniversary date of January 1 pursuant to paragraph 2 above, effective January 1, 2014 (Pay Period 2), or as soon as practicable, each such Manager in the unit who is not moved upward pursuant to paragraph 3 above, or such movement results in less than a \$700.00 increase in salary, shall be moved to the next applicable step on the appropriate Salary Range.

5. Effective the first full pay period after January 1, 2014, there shall be a one percent (1%) across the board increase applied to the base salary of Managers in the unit including Managers with M98 designation (no range) if their salary is less than the cap set forth in paragraph 10. The State Compensation Plan salary schedule shall be adjusted in accordance with the established procedures to incorporate these increases for each Step of the applicable Salary Ranges. Any Manager who is above the 10th Step of the applicable Salary Range will be red circled until the range reaches their salary.

6. Notwithstanding paragraph 5, effective the first full pay period after January 1, 2014, any Manager who is above the 10th step of the applicable Salary Range and/or above the cap set forth in paragraph 10 below, shall receive a one-time lump sum payment equal to one percent (1%) of their base salary. Lump sum payments shall not be added to base salary for pension calculation purposes.

7. Effective the first full pay period after July 1, 2014, there shall be a one and three quarter percent (1.75%) across the board increase applied to the base salary of Managers in the unit including Managers with the M98 designation (no range) if their salary is less than the cap set forth in paragraph 10 below. Lump sum payments shall not be added to base salary for pension calculation purposes.

9. Except as provided in paragraphs 3 and 4 above, normal increments shall be paid to all employees eligible for such increments within the policies of the State Compensation Plan during the term of this Agreement. Accordingly, except as limited by Paragraph 10 below, each Manager who has not reached Step 10 on his/her applicable Salary Range shall receive a one-step increment on his/her anniversary date beginning with January 1, 2015 (for those hired after January 1, 2014 such increments will occur on the employee's actual anniversary date). Except as provided in paragraphs 3 and 4 above, pursuant to N.J.A.C. 4A:3-4.5 movement from Step 8 to Step 9 will not occur until after the employee has served 39 pay periods in Step 8. Except as provided in paragraphs 3 and 4 above, to be eligible for the 10th Step, an employee must have been on the 9th step for a period of at least fifty-two (52) pay periods.

10. No Manager shall receive an increase to base salary above the cap of \$127,653.68 set forth in the Civil Service Commission's Salary Compensation Compendium.

ARTICLE VIII
DUES/AGENCY SHOP

1. Dues Deduction

A. After 30 Days from the effective date of this Agreement the State agrees to deduct from the regular paycheck of any Manager, by automatic payroll deduction, dues of the Union provided the Manager submits an authorization for dues deduction in writing and in proper form to the responsible payroll clerk. On receipt of the form, the payroll clerk shall forward it within five (5) working days to the centralized payroll section, Department of Treasury. Dues deduction will be reflected in the paycheck for the current pay period provided the form is received in centralized payroll at least seven (7) calendar days prior to the end of the pay period otherwise to be reflected in the next pay period. If violations of these time frames are brought to the attention of the State, the State will review the matter and make best efforts to solve the problem within two (2) pay periods.

B. Dues deductions for any Manager in this negotiating unit shall be limited to the Union. Managers shall be eligible to withdraw such authorization only as of July 1 of each year provided the notice of withdrawal is filed after May 15 timely with the responsible payroll clerk. Unless a Manager withdraws authorization for the deduction of Union dues, the State will continue to deduct dues. The movement of a Manager from one title to another title and/or from one section to another section will not affect dues deduction, unless the new title or unit is not represented by the Union.

C. Dues so deducted by the State shall be transmitted to the Financial Secretary of the Union together with a listing of the Managers included.

D. The Union shall certify to the State the amount of Union dues and shall notify the State of any change in the dues structure thirty (30) days in advance of the requested date of such change. The change shall be reflected in payroll deduction at the earliest time after receipt of the request.

2. Representation Fee (Agency Shop)

A. Any Manager in the negotiating unit on the effective date of this Agreement who does not join the Union within thirty (30) days thereafter shall pay a representation fee in lieu of dues to the Union by automatic payroll deduction for services rendered by the majority representative.

The representation fee shall be in an amount equal to eighty-five percent (85%) of regular membership dues, fees and assessments as certified to the State by the Union.

Prior to the beginning of each contract year, the Union will notify the State in writing of the amount of regular membership dues, initiation fees and assessments charged by the Union to its own members for that contract year, and the amount of the representation fee for that contract year. Any changes in the representation fee structure during the contract year shall be in accordance with 1.d. above.

It is understood that the implementation and/or continuation of the agency fee program is predicated on the demonstration by the Union that more than 50% of the eligible Managers in the negotiating unit are dues paying members of the Union.

On January 1 of each year, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee shall be discontinued and eligibility for reinstatement shall be on a quarterly date basis as provided below.

If the agency fee is discontinued, an assessment shall be made on each quarterly date; i.e., January 1, April 1, July 1 or October 1, to determine if the minimum percentage is exceeded. If the minimum percentage is exceeded the agency fee plan shall be reinstated, with proper notice to affected Managers.

B. Deduction and Transmission of Fee

After verification by the State that a Manager must pay the representation fee, the State will deduct the fee for all eligible Managers in accordance with this Article.

The mechanics of the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

The State shall deduct the representation fee from a new Manager as soon as possible after thirty (30) days from the beginning date of employment in a position in this unit.

The State shall deduct the representation fee as soon as possible after the tenth day following reentry into the bargaining unit for Managers who previously served in a position identified as excluded or confidential, for individuals reemployed in this unit from a reemployment list, for Managers returning from leave without pay, and for previous Manager members who become eligible for the representation fee because of non-member status.

C. Demand and Return System

The representation fee in lieu of dues only shall be available to the Union if the procedures hereafter are maintained by the Union.

The burden of proof under this system is on the Union.

The Union shall return any part of the representation fee paid by the Manager which represents the Manager's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of other benefits available only to members of the majority representative.

The Manager shall be entitled to a review of the amount of the representation fee by requesting that the Union substantiate the amount charged for the representation fee. This review shall be in conformance with the internal steps and procedures established by the Union.

The Union shall submit a copy of the Union review system to the Office of Employee Relations. The deduction of the representation fee shall be available only if the Union establishes and maintains this review system.

D. State Held Harmless

The Union hereby agrees that it will indemnify and hold the State harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arises from deductions made by the State in accordance with this provision. The State shall not be liable to the Union for any retroactive or past due representation fee for any cause upon the entry or reentry of a Manager into the Union from an excluded position or another unit. The term excluded position shall include but not be limited to confidential, managerial and exempted positions.

3. Legal Requirement

Provisions of this article are further conditioned upon all other requirements set by statute.

ARTICLE IX

WORKING CONDITIONS

Outside employment of the Manager shall be governed by the New Jersey Conflicts of Interest Law, the State Ethics Commission's Uniform Ethics Code, and the Supplementary Code of Ethics detailing the agency-specific conflict provisions of the respective Appointing Authority. B. The Department shall have the right to have such review and examination take place in the presence of an appropriate official of the agency or department in question.

C. The Manager may file a written response of reasonable length to any document in his or her personnel file that the Manager believes is derogatory or inaccurate. Such response shall be appended to the document(s) to which the response replies and both shall be retained together in the same file.

D. No document of anonymous origin shall be maintained in the personnel file.

4. Transportation Allowance

A. Vehicle Use and Insurance

1. Whenever a Manager is authorized and required to use his or her privately-owned vehicle or, as a condition of his or her employment uses such vehicle, the State will be responsible for indemnification pursuant to appropriate legislation for such sanctioned use and shall reimburse the Managers at the applicable rate provided by law for each mile of such use. Authorization for such use is predicated on the individual maintaining basic automobile insurance as specified in the New Jersey Travel Regulations and current registration and licensure.

2. During such authorized use of his or her privately-owned vehicle, the State requires each Manager accepting such authorization to maintain insurance for personal liability in the minimum amounts of \$25,000 for each person, \$50,000 for each accident and \$10,000 property damage for each accident. The State will provide insurance coverage where such privately-owned vehicles are used in the authorized business of the State covering the excess over the valid and collectible private insurance in the amount of \$150,000 for each person and \$500,000 for each accident for personal liability and \$50,000 property damage for each accident unless and until legislation is passed which requires the State to indemnify and hold harmless the Manager for personal injuries and property damage caused by the negligence of said Manager while operating privately-owned vehicles on authorized State business.

3. The requirement to utilize a privately-owned vehicle shall not be imposed when it causes undue hardship on the Manager.

B. Reimbursement for Travel Expenses

1. Managers shall be reimbursed for travel expenses while on authorized State business in accordance with the State of New Jersey Circular, Travel Regulations and any amendments thereto.

2. Expenses incurred for necessary parking and tolls directly related to the authorized use of a vehicle on official State business are allowed and reimbursable by the State. All such expenses require documentation. Expenses that require advanced authorization include travel outside of New Jersey, as set forth in the Circular.

3. Managers shall submit vouchers and supporting documentation on a monthly basis when travel expenses are incurred.

4. Payment where warranted under the Travel Regulations shall be made promptly providing the voucher is complete, accurate, and received within a timely manner. The Department, if it deems appropriate, may request payment of obligations applicable to the prior fiscal year.

5. Expenses such as meals and hotel stays shall be reimbursed in accordance with the Circular.

C. Privately-Owned Vehicle

A Manager who is authorized to use a privately-owned vehicle for State business may elect not to transport other employees of the State except that this election must be

communicated in advance of any travel assignment to provide sufficient notice for planning purposes.

D. Medical Examination

When the State requires a Manager to be medically examined by a State designated doctor or medical facility, travel expenses, not inconsistent with the Travel Regulations of the State, shall be paid in the same manner and under the same conditions as other travel expenses. A Manager attending such examination shall do so without loss of pay for necessary time of such attendance and necessary travel time appropriate thereto if during normal working hours.

E. State Vehicles

1. To provide continuity of scheduled work by a Manager who is regularly authorized to use a privately-owned vehicle for State business and such vehicle is damaged or otherwise inoperable and undergoing major repairs, the Manager may request temporary use of a State-owned vehicle from those in the motor pool servicing the particular function. The request, if endorsed by the appropriate supervisor, shall be presented to the State official in charge of those vehicles for approval and authorization. Such vehicles may be assigned for up to three (3) days and such period may be extended, if required.

2. All such use of State vehicles must conform to the regulations pertaining thereto.

3. Managers authorized to utilize State-owned vehicles shall obtain gasoline and related services and products at State facilities.

4. Managers may request the issuance of State credit cards when circumstances warrant. Such requests, if endorsed by the appropriate supervisor and approved by the State official at the local motor pool will be forwarded to the Central Motor Pool for authorization. The issuance of credit cards shall be within conditions and criteria established by the supervisor of Central Motor Pool.

F. Grievances concerning these matters shall be considered non-contractual.

5. Hours and Compensation Time

In the event that a Manager is required to work beyond his or her workweek designation in a workweek, compensation for such work is determined in accordance with Civil Service Commission rules. Grievances concerning this matter shall be considered non-contractual.

ARTICLE X

PROMOTIONS AND JOB POSTINGS FOR CLASSIFIED MANAGERS

A. Promotions

Promotion qualifications and procedures for Classified Managers are governed by the Civil Service Commission pursuant to Statute and Rules and Regulations promulgated there under.

1. A Promotion means the advancement of a Manager to a title having a higher class code than the former permanent title.

2. Upon appointment to an unclassified Manager title, all sick leave, administrative leave and vacation leave balances, if any exist, shall be retained by the Manager.

3. Upon promotion, a Manager shall be informed of his or her new rate, subject to approval of the Civil Service Commission. No Manager in the negotiation unit will be required to accept a promotion until that Manager is advised of the salary.

4. Provisional promotional appointments shall be made in accordance with Title 4A. If requested by the Union, but not more frequently than semi-annually, the Union will be provided a list of then current provisional appointments for titles within the negotiating unit.

5. When a Manager is appointed on a Provisional basis, his or her permanency in his or her regular permanent job classification shall be continued during such Provisional period and he/she shall have the opportunity to return to such permanent classification in the event the promotional opportunity shall not become permanent provided there is no discharge action for cause.

B. Job Posting

1. To provide promotional opportunities for Managers within a department or organizational unit, existing or planned job vacancies within the unit shall be prominently posted within the promotional examination scope established by the Civil Service Commission for fourteen (14) days. Broader posting may be undertaken by the department at its option. When provisional promotions are to be made within a work unit, Managers who meet the minimum qualifications and are capable of performing the work as determined by management, and file pursuant to this article shall be given consideration for such appointment. The posting shall include a description of the job, any required qualifications, the location of the vacancies, the salary range, the hours of work and the procedures to be followed by employees interested in making application.

2. Copies of each notice posted will be forwarded to the Union.

3. Where a provisional or permanent promotion or a reassignment is consummated as a result of the job posting procedure, the Appointing Authority will inform the Union and post the name of the individual appointed on the bulletin board. In the event a provisional appointment is made, the Appointing Authority will notify the Civil Service Commission of such action so that the Civil Service Commission can activate its process leading to permanent appointment.

4. Notices required by this Article shall be provided to the principal officer of the Union at an address designated by the Union.

5. The Union may inquire as to the status (provision or permanent) of a position incumbent and such inquiry will be answered by the Appointing Authority involved.

ARTICLE XI
TRANSFER, REASSIGNMENT, AND OUT OF TITLE WORK

The following matters as they apply to individual Managers affected shall be grievable within the provisions of the Grievance Procedure in the Agreement as defined in Article V, Section B.1.b, except for the provisions below that are underlined which are grievable under Article V, Section B.1.a.

A. Transfer

1. A transfer is the movement of a Manager from one job assignment to another within his or her job classification in another organizational unit.

2. A Manager shall not be transferred without the approval and consent of the Appointing Authority from and to whose unit the transfer is sought, nor without the consent of the Manager, or the approval of the Civil Service Commission, except that:

a. The consent of the Managers shall not be required when the movement of a Manager is the result of a transfer or combining of functions of one unit to or with another;

b. When a temporary transfer is made, the consent of the Manager shall not be required; but if the Manager objects, he or she shall have the right to have the transfer reviewed by the Civil Service Commission.

c. Any special hardship that may result will be given due consideration.

d. The rights of a Manager who has voluntarily transferred shall not be adversely affected, except that he or she shall not retain any rights in the unit from which he or she has transferred.

e. The rights of a Manager who has involuntarily transferred shall not be adversely affected but he or she shall retain no rights in the unit from which he or she has been transferred except that if he or she is on a promotional list, his/her name shall be retained on the promotional eligible list for the unit from which he or she has been transferred until the list has expired. If a Manager remains on the list, it is applicable only in the event the Manager returns to the unit from which he or she transferred. Nothing herein is intended to diminish the rights of Managers resulting from a layoff.

f. When accepted for transfer by an organizational unit or department the request for transfer shall not be unreasonably withheld by the organizational unit or department where the individual is employed.

g. Transfer shall not affect the accumulation of a Manager's State or job classification seniority.

3. Upon receipt of an offer of transfer from another organizational unit, a Manager may request approval through his or her Personnel Officer.

B. Reassignment

1. Reassignment is the movement of a Manager from one job assignment to another within his or her managerial title and within the organizational unit or Department.

2. Reassignments of Managers may be made in accordance with the fiscal responsibilities of the Appointing Authority; to improve or maintain operational effectiveness, or to provide Manager development and job training or a balance of Manager experience in any work area. Where such reassignments are not mutually agreed to, special hardships which may result will be given due consideration. Nothing contained herein shall be construed to enlarge or diminish any right which the Manager may have to appeal the reassignment under CSC rules and regulations.

3. When temporary reassignments (ordinarily of less than six (6) months' duration) are made to achieve any of the objectives in B. 2 above, Managers to be affected will be given maximum possible notice.

4. When a vacancy is filled by a Manager from outside a work unit, the Manager joining that work unit shall be assigned the open position on the shift and work schedule, which were appropriate to the opening.

5. a. Where the principles in B. 2. above are observed, requests for voluntary reassignment within the organizational unit or Department shall be given consideration.

b. A Manager desiring reassignment to any job in his or her organizational unit or Department may submit an application through his or her supervisor in writing to his or her Personnel Officer stating the reasons for the request. Managers who are deemed capable by the Appointing Authority of performing the work and who apply for such reassignments will be considered.

6. When a Manager is granted a voluntary reassignment under provisions of 4 or 5 above, he or she shall then be eligible for only one (1) additional voluntary reassignment in the succeeding twelve (12) month period. Consideration will be given to a request for additional reassignment where special circumstances exist.

7. The following substantive rights shall not be adversely affected by reassignment unless specifically set forth herein: salary and seniority.

C. Special Requests

Requests for transfer or reassignment predicated on extreme personal hardship will be given priority consideration where positions are available for which the Manager is deemed capable by the Appointing Authority of performing the necessary tasks.

D. Reassignment for Union Officers and Stewards

The State and the Union recognize the need to utilize all personnel to meet operational requirements effectively. The State agrees that the movement of Union Officers and Stewards outside of their established jurisdiction may be necessary and appropriate so long as the reassignment of the Manager is on the same basis as the reassignment of any other Manager.

E. Out-of-Title Work

1. The State and the Union agree that Managers should be assigned work appropriate to and within their job classification. Such duties may be reviewed as part of the Performance Assessment Review (PAR). Should there be any questions concerning Out-of-Title work, the Manager is expected to first attempt to resolve those questions with the Appointing Authority or Department.

2. Full-time Managers and eligible dependents shall be eligible for the State administered Employee Dental Plan(s).

2. Participation in the Plan shall be voluntary with a condition of participation being that each participating Manager shall authorize a biweekly salary deduction as set by the Committee.

A. Those Managers who have 20 or more years of creditable service on June 28, 2011, and who accrue 25 or more years of pension credit and retire or retire on a disability retirement on or after July 1, 2011, will contribute 1.5% of the monthly retirement allowance toward the cost of post-retirement medical benefits as is required under law. Those Managers who have fewer than 20 years of creditable service on June 28, 2011, and who accrue 25 or more years of pension credit and retire on or after July 1, 2011, will contribute toward the cost of post-retirement medical benefits in accordance with P.L. 2011, c. 78. Such Managers will be eligible to participate in the applicable PPO or HMO and will pay 1.5% of pension benefit as a contribution to the cost of PRM, but such contribution shall be waived if the retiree participates in the Retiree Wellness program. Participation shall mean that the retiree completes the designated HRA form at the time of retirement, participates in the annual health assessment, and participates in any individualized health counseling, follow-up, or program developed for that individual. There shall be an annual verification from the appropriate person at the Retiree Wellness Program in which the retiree is participating.
