Greetings Sisters and Brothers,

I wanted to put out a brief bulletin to let everyone know when they should be expecting their Salary Adjustments (Raises) and Retroactive Pay. What I know at the moment is: OIT was handed the order to change our salaries on 12-13-23 after the pay tables were approved by the Civil Service Commission. The delay in getting the order for programming to OIT was due to the fact that three Unions (IBEW, IFPTE, and AFSCME) all ratified their agreements over a short period of time. The implementation schedule mirrors the chronological order of the ratification dates, and as IBEW Local 30 was the last of the three to ratify, we'll be the last of the three to be implemented. As a result, the first thing that you'll see in your paycheck of 02-16-24 is an increase in your salary equal to where your salary would have been as of the first full pay period of July 2023 when the 3.5% Cost of Living Adjustment was to contractually occur. Then, in Supplemental Pay Period H, on 04-19-24, you'll then get the retro check, and that payment will occur on an off-pay period as a supplemental check. If there are any changes to these dates, I'll get a bulletin out to everyone, so you will all know.

If anyone has any questions, please feel free to ask me!

Thank you for your continued support of IBEW Local Union 30!

In Solidarity, Forever!
